HometownCARE

**RIGHT CARE,
RIGHT TIME,
RIGHT PLACE.**

A wide-angle photograph of a town street. On the left, there are brick buildings, one with a large glass facade. A black street lamp holds a large basket of red and white flowers. American flags are hanging from the buildings and street lamps. In the background, a green hillside is visible. On the right, a white church tower with a blue dome and a clock face stands prominently. Several cars are parked along the street, and a person is walking in the distance.

 **HometownCARE CULTURE**

THE POWER OF HOPE IN HEALING

A company cornerstone is the **SPIRITUALITY** pillar, supported by the interfaith Signature Chaplain Corps. Full-time chaplains serve through bold listening, hope and humility, striving to meet residents, employees and family members where they are, at the point of their spiritual need.

MAKING A DIFFERENCE

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.

GREAT LEARNING. GREAT RESULTS.

At Signature HealthCARE, our award-winning **LEARNING** pillar delivers first-rate education and training opportunities with our stakeholders in mind. We believe revolutionary and lifelong learning has no limits, must create a competitive advantage and change lives for generations.
